SALAZAR CARRASCO, CARLES	carles.salazar@udl.cat	7,2	

## Learning objectives

To understand the cultural diversity of family forms and their evolutionary sense.

## Competences

CB2 That students know how to apply their knowledge to their work or vocation in a professional way and possess the competencies that are usually demonstrated through the development and defense of arguments and problem solving within their area of study

CT2 Acquire a significant command of a foreign language, especially English

CT3 Acquire training in the use of new technologies and information and communication technologies

CT5 Acquire essential notions of scientific thought

CT6 Apply the gender perspective to the work of the professional field.

Learning outcomes:

Know the biological and cultural foundations of kinship relationships

To become familiar with the most important theoretical currents in kinship anthropology.

Acquire a species perspective in the study of family forms

Develop a comparative view on human reproduction

To know how to problematize the separation between public and private life and the allocation of gender roles.

## Subject contents

1. Biological and evolutionary foundations of kinship (6 sessions)
2. Procreation and descent (7 sessions)
3. Marriage systems (6 sessions)
4. Sexuality (6 sessions)
5. Family, kinship and cognition (7 sessions)

## Methodology

activity	CODIFICATION / description / typology TPD	O	G	HP*	HNP
<b>Master class (M)</b>	See the agenda and the schedule	0.1	1	45	60
<b>Seminars (S)</b>					
<b>Practical sessions (P)</b>					
<b>Essays (T)</b>	<b>T1. Essays and bookreviews</b> <b>T2. Class presentations</b> <b>T3. Mandatory readings</b>	0.1	1	-	85
<b>Tutorials (Tut)</b>	5 programmed tutorials related to M and T1	0.1	1	5	5
<b>Others (AA)</b>					
<b>Evaluation (AV)*</b>	See table of evaluation mechanisms		1	2	-
<b>TOTAL</b>	The total absolute must always add <b>187.5 h (7.5 ECTS)</b> o <b>150 h (6 ECTS)</b>			<b>67</b>	<b>150</b>

The total number of off-line lectures will be adapted to the requirements imposed by the evolution of the pandemic.

## Evaluation

Mechanisms of evaluation	codification / description-criteria / typology TPD	observations	O	Activity	%
<b>Assistance and participation (As)</b>	<b>As:</b> qualification is raised according to the evaluation carried out by the teacher		0.1	<b>All face-to-face</b>	<b>+10</b>
