Subject's extra information

The course is thought in person or online depending on the conditions of the pandemic situation.

Other professors and/or lecturers invited to class will participate from time to time during school hours

The theory is complemented with text readings and visits made by the students to heritage sites, monuments, museums... Some visits will take place during school hours. Others will be done freely by the students and outside of class time.

Learning objectives

To know and handle texts, letters, international documents and other means for the conservation and management of cultural objects.

To know the history of the conservation and restoration of works of art.

To be able to make a critical assessment of the performances in the historical-artistic heritage.

Preparation for teaching, dissemination and defence of artistic heritage.

Competences

CE9. Identify, distinguish and evaluate or assess current issues of conservation, restoration criteria and management of historical, artistic and cultural heritage.

CE10. Identify and recognize the critical awareness of heritage and its appreciation in today's society.

CB4. Be able to convey information, ideas, problems and solutions to both a specialized audience and a non-specialized audience.

CG5. Be competent in the handling of bibliography and search tools for general and specific bibliographic resources, including internet access.

CG8. Recognize and be sensitive to the promotion of human rights and the values of a culture of peace and democratic values.

Subject contents

1. The concept of culture. Definitions and contents in Anthropology, in Philosophy, in Sociology. The historical conception of culture.
2. Culture and heritage. Cultural, material and immaterial heritage. Definitions, classifications.
3. Care and study of heritage. History on the conservation of cultural, historical and artistic assets. The heritage view and its modern and contemporary evolution.
4. Restoration techniques and methods. Traditions, theories and legislation.
5. The historian's commitment in relation to the heritage fact.

Methodology

Activity	Description / Typology	Presential Hours	Not Presential Hours
Lessons	Session about contents of subject	33	36
Seminars	Methodology workshop	15	10
Practices	Practices out of the classroom, forum or other Seminars	4	10
Treball	Tutorised work		26
Tutories	Support to individual work	3	
Avaluació		5	8
TOTAL	150 h (6 ECTS)	60	90

Development plan

Theory. Lessons in the classroom to explain and discuss about the contents.

Invited professors or collaborators may participate.

The practice is some visit and the analysis of heritage situations.

Methodology workshop of the Degree

Individual work about theory

Support to the individual work.

The continuous evaluation has three controls: Three exams.

Evaluation

Attendance and participation	Regular attendance		10%
Tests	Control test		15%
	Review text comment		20%
	Examination of contents as final		20%
Report / Job	Work with tutorial support	Written delivery	25%
Practices	Methodology Workshop		10%
EVALUATION MECHANISMS	DESCRIPTION-CRITERIA-TIPOLOGY		100%

The evaluation is continuous and the agenda is assumed to be cumulative. In relation to the percentage of exams and assignments in the final grade, the recovery is not contemplated if there are no other circumstances that justify it. The Regulations for the Evaluation and Qualification of teaching in the Degrees and Masters in force at the UdL will be applied.

Students who combine their studies with a partial or full-time job, have the right to request an alternative evaluation within 5 days of the start of the semester. (For more information: academic@lletres.udl.cat or contact the Secretary of the Faculty of Lletres).

If plagiarised material is detected, we will apply what is established in the 'Regulations for the Assessment and Grading of Student Learning in UdL Bachelor's and Master's Degrees'.
