## Subject's extra information

### Ester Baiget's sessions:

Thursday, 10.00 to 12.00 (Room 0.18, Transfronterer Building)

--

### Iris Solà's sessions:

Friday, 9.00 to 11 (Room 0.18, Transfronterer Building)

--

## Learning objectives

### Objectives:

It is expected that the students acquire the following learning objectives:

1. Know innovative methodologies in the field of first, second and foreign languages and be able to implement them in the class.
2. Introduce the students in the design of proposals that suppose the different contents integration in different languages.
3. Have the capacity to integrate ICTs as a formative tool in the didactics of languages.
4. Develop strategies to favour the linguistic learning in multicultural and plurilingual contexts.
5. Develop an open and respectful attitude towards the linguistic and cultural diversity.

## Competences

| Competences  | Objectives  |
|--|---|
| Being familiar with the curricular areas of primary education, the interdisciplinary relationship between them, the assessment criteria and the body of didactic knowledge required for teaching and learning processes.               | 1. Connect the different parts that belong to the curriculum of the first, second and foreign languages in the Primary Education.   |
| Being familiar with and applying information and communication technologies in the classroom. Selectively distinguishing audiovisual information that contributes to learning, civic formation and cultural richness                   | 2. Know innovative methodologies in the field of first, second and foreign languages and be able to implement them in the class.<br>3. Have the capacity to integrate ICTs as a formative tool in the didactics of languages. |
| Designing, planning and evaluating teaching and learning processes, both individually and in collaboration with other teachers and staff at a school.  | 4. Be able to design some proposals about the curriculum's languages integrated planning.<br>5. Introduce the students in the design of proposals that suppose the different contents integration in different languages.     |
| Approaching learning situations in multicultural and multilingual contexts efficiently. Encouraging the reading and critical commentary of texts from diverse scientific and cultural domains that form part of the school curriculum. | 6. Develop strategies to favour the linguistic learning in multicultural and plurilingual contexts.   |

Valuing individual and collective responsibility in achieving a sustainable future.

7. Develop an open and respectful attitude towards the linguistic and cultural diversity.

## Subject contents

### Contents:

#### 1. The didactics of languages in the school context.

- The school's linguistic project.
- Integrated languages and communicative competence.
- Multilingual action design.
- Content and Language integrated learning (CLIL).

#### 2. European school programs:

- eTwinning programs
- Erasmus programs

#### 3. The ICTs in the languages' learning/teaching process.

- ICT and first, second and foreign language learning.
- ICT projects
- ICT's Implementation in the languages classes.

#### 4. An ELF perspective on EFL teaching

- Native vs. non native teachers' competence
- Teaching English in multilingual classrooms.

#### 5. Maximising the use of English in the classroom

- Strategies to maximise the use of English
- The role of the L1 in the EFL classroom
- Raising language awareness in the EFL classroom

## Methodology

- Master class face to face
- Tutorials
- Group projects face to face
- Writings
- Simulations

Information on data protection in the audiovisual register in the subject:

In accordance with current regulations on the protection of personal data, we inform you that:

- The organisation responsible for the recording and use of the image and voice is the University of Lleida - UdL (contact details of the representative: General Secretariat. Plaza Víctor Siurana, 1, 25003 Lleida; sg@udl.cat; contact details of the data protection officer: dpd@udl.cat).

- The recorded images and voices shall be used exclusively for teaching purposes.

- The recorded images and voices shall be saved and preserved until the end of the current academic year, and shall be destroyed in accordance with the terms and conditions specified in the regulations on the preservation and disposal of administrative documents of the UdL, and the documentary evaluation tables approved by the Generalitat de Catalunya (<http://www.udl.cat/ca/serveis/arxiu/>).

- The voices and images are considered necessary to teach this subject, and teaching is a right and a duty of the teaching staff of the Universities, which they must exercise under academic freedom, as provided for in article 33.2 of the Organic Law of Universities (Ley Orgánica de Universidades) 6/2001, of December 21. For this reason, the UdL does not need the consent of the students to register their voices and images with the sole and exclusive purpose of teaching in this particular subject.

- The UdL shall not transfer the data to third parties, except in the cases strictly provided for by the Law.

- The student can access their data; request correction, deletion or portability; object to its processing and request its limitation, as long as it is compatible with the purposes of teaching, by writing to dpd@udl.cat. You can also submit a complaint to the Catalan Data Protection Authority, via a mail to its website (<https://seu.apd.cat>) or other non-electronic means.

## Development plan

### Course chronogram

Please bear in mind that this is a tentative outline of the contents of the course and may be subject to modifications. Any changes in the contents of the subject or in the deadlines for the projects and oral presentations will be duly notified to the students.

| Instructor: Ester Baiget |   |                        | Instructor: Iris Solà |  |            |
|--------------------------|---|------------------------|-----------------------|--|------------|
| Session                  | Content   | Assessment             | Session               | Content  | Assessment |
| Week 1                   | -Presentation of the subject.<br>-Writing your sociolinguistic profile.<br><b>NB: Session one will be off-site.</b> |                        | Week 1                | -Presentation of the subject.<br>-Analysis of our sociolinguistic context.<br>-Multilingualism and its benefits. |            |
| Week 2                   | -An ELF approach to teaching English in primary education: preliminaries.   |                        | Week 2                | -Planning didactic sequences for the EFL classroom: objectives, assessment and learning outcomes.                |            |
| Week 3                   | -An ELF approach to teaching English in primary education: Intelligibility  |                        | Week 3                | -Creation of activities. Linguistic part.  |            |
| Week 4                   | -Teaching English in the multilingual classroom   |                        | Week 4                | -School educational project<br>-Multilingual spaces/corners in the school.                                       |            |
| Week 5                   | -Teaching English in the multilingual classroom   |                        | Week 5                | -Analysis of a school linguistic project.<br>-Projects' examples and opinions.                                   |            |
| Week 6                   | -Teaching English in the multilingual classroom   |                        | Week 6                | -European school programmes: eTwinning and Erasmus+<br>-Creation of an activity.                                 |            |
| Week 7                   | -Teaching English in the multilingual classroom   |                        | Week 7                | -Presentation of Projecte 1, in class<br>-CLIL methodology and creation of activities, online.                   |            |
| Week 8                   | -Teaching English in the multilingual classroom   |                        | Week 8                | -Presentation of Projecte 1, in class<br>-CLIL methodology and creation of activities, online.                   |            |
| Week 9                   | -Teaching English in the multilingual classroom   |                        | Week 9                | -ICT in the language classroom.<br>-Analysis of different language tools.  |            |
| Week 10                  | -Teaching English in the multilingual classroom   | <b>PROJECT 1 ESTER</b> | Week 10               | -Collaborative and creative reading and writing activities.<br>-Design of activities with digital tools.         |            |
| Week 11                  | -Teaching English in the multilingual classroom   |                        | Week 11               | -Creation of a language project based on ICT.<br>-Presentation of the project.                                   |            |
| Week 12                  | -Teaching English in the multilingual classroom<br>- <b>Group tutorial Project 2</b>                                |                        | Week 12               | -Revision of the term.<br>-Conclusion of the subject.  |            |
| Week 13                  | - <b>Group tutorial Project 2</b>   |                        |                       |  |            |
| Week 14                  | - <b>Group presentations Project 2</b>  |                        |                       |  |            |
| Week 15                  | - <b>Group presentation Project 2</b><br>-Conclusion of the subject   |                        |                       |  |            |

## Evaluation

### ASSESSMENT CRITERIA:

#### -Group (oral or written) projects (40%):

2 evidences. 20% each (10% written project + 10% oral presentation)

#### -Individual (oral or written) projects (50%):

2 evidences. 25% each

#### - Active class participation (10%)

### ALTERNATIVE ASSESSMENT

Given the nature of the subject, students who opt for alternative assessment will have to submit the same type of evidence as specified above (i.e. 4 projects, two corresponding to units 1 and 2 and 2 corresponding to units 3 and 4 + 2 oral presentations). Oral presentations may be delivered online through the virtual campus if necessary. Furthermore, a fifth project must be submitted (a research project).

**All projects will be in the English language. Your oral and written linguistic accuracy will be assessed as follows:**

- 0,25 points will be discounted from the evidence/project's final mark for each orthographic, morpho-syntactic, text cohesion mistake.
- If there are more than 5 mistakes in any of the evaluative evidences/projects, the evaluation will be failed in that evidence.

**IN THE EVENT OF PLAGIARISM, THE 'REGULATIONS OF THE EVALUATION AND THE QUALIFICATION OF THE TEACHING IN THE DEGREES AND MASTERS IN THE UdL' WILL BE APPLIED**
