## Evaluation

To obtain a positive evaluation of the subject (5 or more than 5) it is essential to have passed the training part developed in the training center (5 or more) and the training activity developed at the University (5 or more). Only with both parts approved (5 or more) will the arithmetic mean be made.

Evaluation: To pass the subject of Practices II it is necessary to pass the two parts of the evaluation: (a) evaluation of the school and (b) evaluation of the Faculty.

Evaluation – School: 50%

Requirement: Compilation of classroom performances - document: 1 fortnightly, first semester, starting in November. 1 week, 2nd semester.

Mandatory Action: Critical Friendship with a Partner.

20% follow-up evaluation (January)

30% final evaluation (June)

Evaluation – Faculty:

10% classroom observation

15% Objective tests on content given in the classroom.

25% reflective records

All student productions must be delivered within the deadlines indicated in the corresponding guides.

All productions will have to be formally adequate (notographically, grammatically,...) with a non-colloquial vocabulary.

REPEATERS:

Students who repeat the Integration subject will review and redo all the textual records, following the scripts for making the records at their disposal and the evaluation and self-assessment tool SCAN. This documentation is available at: <https://view.genial.ly/5f833ffdb925a10d68ce557c>
