Evaluation

The activities for evaluation are:

1. An individual exam on the theoretical content of the subject: 30%.
2. Individual / group practical activities carried out by the student (Oral presentations in class, text commentaries, video Forum, concept maps, discussion forums, etc.): 40%
3. Participation / Attendance at tutorials, activities, etc.: 30%

An essential requirement is the linguistic and formal correction in the written productions following the guide that you will find at <http://www.fce.udl.cat/Recursos/guies/guiatreballs.pdf>.

Assignments with more than 10 spelling errors or incorrectly presented will be returned to the students for correction. These errors of expression or incorrect presentation will affect their grade.

Assignments carried out in this subject must always include a bibliography and / or webliography in which a minimum of 5 documents must come from books and / or journals.

Assignments must respect the fundamental rights of equality between men and women, taking into account in its writing the Guide "Non-sexist language and communication" of the Center Dolors Piera d'Igualtat d'Oportunitats i Promoció de les Dones, of the UdL.

Student productions must be original. Plagiarism or copying in a single piece of work will lead to a failing grade and may lead to failing the subject. The teaching staff will be able to use the anti-copying and anti-plagiarism tools and criteria that they deem appropriate.

To pass the subject, a grade equal to or greater than 5 (out of 10) must be obtained in assessment activities 1 and 2. The subject is considered passed when the student has obtained a final numerical grade of 5.

Students who wish to do so will have the right to give up continuous evaluation at the beginning of the course and take advantage of the modality of a single evaluation evidence at the end of the subject. It must be submitted to the secretary within the set period and provide supporting documentation of work activity and / or other personal situations. The single assessment modality includes a final exam on the studied theoretical-practical contents.

ASSESSMENT FOR STUDENTS WITH SPECIFIC NEEDS FOR EDUCATIONAL SUPPORT

Condition: certificate of disability or having a specific learning difficulty.

The teaching staff of the subject will be able to modify the evaluation system and the realization of face-to-face and non-face-to-face activities, depending on the specific needs for educational support of each student, always in agreement with the UdL Commission for Attending to Diversity
