Subject's extra information

This course aims to offer an overview of the different grammatical categories that make up the Spanish language, without losing sight of the difficulty involved in its analysis as it lies within the boundaries between morphological and syntactic studies. For this reason, the syntactics and pragmatics that can explain, and even condition, certain uses of the Spanish language will be influenced.

Learning objectives

This course aims to offer an overview of the different grammatical categories that make up the Spanish language, without losing sight of the richness of its analysis as it is located on the limits between morphological and syntactic studies. The most relevant objectives are:

- O1. Reflect on the language and its morphological structure.
- O2. Acquire their own terminology and the basic concepts of the morphology of the Spanish language.
- O3. Reflect on the structure of the language and analyze it based on its morphological features.
- O4. Be able to compare different analyses of grammatical categories and look for generalizations.

Competences

CT1 Acquire an adequate understanding and oral and written expression of Catalan and Spanish.

CT5 Acquire essential notions of scientific thinking.

CB2 Apply their knowledge to their work or vocation in a professional manner and possess the competencies that are usually demonstrated through the elaboration and defense of arguments and the resolution of problems within their area of study.

CG 2 Develop critical reasoning.

CG 5 Develop the motivation for quality.

CG 6 Develop a systemic attitude of rigor at work.

CG 7 Develop the capacity for autonomous learning and intellectual maturity.

CG 11 Knowing how to use the terminology and techniques of the disciplinary or professional field.

CE2 Know how to identify the basic principles on which the study of language is based.

CE4 Know the systematic aspects of the uses of the language from different perspectives of grammatical analysis: phonetic, phonological, lexical, morphological, semantic, syntactic, discursive, pragmatic and sociolinguistic.

CE22 Know how to analyze, evaluate and correct, grammatically and stylistically, oral and written texts in the Spanish language.

ACADEMIC FRAUD OR SPONTANEOUS COPYING

If academic fraud or spontaneous copying is detected, we will apply what is established in the Regulations for the Assessment and Grading of Student Learning in UdL Bachelor's and Master's Degrees

ALTERNATIVE ASSESSMENT

Students who want to ask for alternative assessment must submit an employment contract or justify, in a letter addressed to the dean, the reasons that make it impossible for him/her to carry out the continuous assessment within five (5) days after the beginning of the semester. For information, please send an e-mail to lletres.secretariacentre@udl.cat or ask for information at the Faculty's academic office (Secretaria Acadèmica de la Facultat de Lletres).

The alternative evaluation will consist of a global oral and/or written theoretical-practical test of the whole course that proves that the contents of the course have been consolidated.

Information on data protection in the audiovisual register in the subject Morfología española

In accordance with current regulations on the protection of personal data, we inform you that:

- The organisation responsible for the recording and use of the image and voice is the University of Lleida - UdL (contact details of the representative: General Secretariat. Plaza Víctor Siurana, 1, 25003 Lleida; sg@udl.cat; contact details of the data protection officer: dpd@udl.cat).
- The recorded images and voices shall be used exclusively for teaching purposes.
- The recorded images and voices shall be saved and preserved until the end of the current academic year, and shall be destroyed in accordance with the terms and conditions specified in the regulations on the preservation and disposal of administrative documents of the UdL, and the documentary evaluation tables approved by the Generalitat de Catalunya (<http://www.udl.cat/ca/serveis/arxiu/>).
- The voices and images are considered necessary to teach this subject, and teaching is a right and a duty of the teaching staff of the Universities, which they must exercise under academic freedom, as provided for in article 33.2 of the Organic Law of Universities (Ley Orgánica de Universidades) 6/2001, of December 21. For this reason, the UdL does not need the consent of the students to register their voices and images with the sole and exclusive

purpose of teaching in this particular subject.

- The UdL shall not transfer the data to third parties, except in the cases strictly provided for by the Law.

- The student can access their data; request correction, deletion or portability; object to its processing and request its limitation, as long as it is compatible with the purposes of teaching, by writing to dpd@udl.cat. You can also submit a complaint to the Catalan Data Protection Authority, via a mail to its website (<https://seu.apd.cat>) or other non-electronic means.
