## Subject's extra information

This subject aims to contribute to the development of the communicative competence in English of the students (B1 level of the Common European Framework of Reference for Languages). Students will be able to understand and produce specialized texts, both oral and written, related to Business English.

On the evaluation: If the student only takes one of the tests, s/he will obtain a NO PRESENTAT grade. If the student takes two tests or more, s/he will follow the continuous evaluation process. To pass the subject, it is mandatory to take the 4 tests, and the average grade must be <5> or higher than <5>. In case the student only takes two or three tests and the average grade of the tests taken is <5> or higher than <5>, the final grade will be FAIL <4>; if the average grade of the tests taken is less than <5>, the final grade will be the average grade obatined.

According to art. 3.1 of the UdL assessment regulations, the student can not use, in any case, during the process of taking any assessed activity, means not allowed or fraudulent mechanisms. The student who uses any fraudulent means related to the test and / or carry electronic devices not allowed, will have to leave the test, and will be subject to the consequences provided in this regulation or in any other internal regulations of the UdL. Any activity that includes evidence of plagiarism or fraudulent action will be qualified with a zero. If such practice is repeated, the student would obtain the final qualification of SUSPENS (0) in the final "acta" of the subject.

In the event that a student documentally proves his/her inability to attend scheduled activities within the continuous assessment (because of having full-time contract, a second or subsequent enrolment in the subject, or according to the cases listed in the center's regulations), he/she may opt for a "AVALUACIÓ CONTINUADA" to validate the competences and knowledge of Business English 1. This type of assessment will be carried out on the day and in the schedule established in the calendar of evaluation of the degree for the final test of the ordinary evaluation. This test will consist of the following questions: vocabulary, use of English, oral comprehension and reading comprehension, speaking and professional writing. Given that the test is equivalent to 100% of the total assessment, students will be entitled to a RECUPERACIÓ on a day / time that will be announced (will be organized during the 19th week of the semester). The request for this assessment modality must be carried out before October 5, 2018 with documentary accreditation and, once done, it can not be modified. On the website of the Faculty is the document that must fill in by the students and deliver to the professor responsible for the subject via email: <a href="http://www.fdet.udl.cat/export/sites/Fdet/ca/.galleries/Documents/Secretaria-documents/Sollicitud-davaluacio-alternativa.pdf">http://www.fdet.udl.cat/export/sites/Fdet/ca/.galleries/Documents/Secretaria-documents/Sollicitud-davaluacio-alternativa.pdf</a>)

During the year 2018-19, this course hosts the program DOCÈNCIA REPETIDA. This means that those students enrolled during the year 2018-19 in the subject of Business English 1 and who have failed the subject may enroll in the course again (after payment of the fees). This will entitle them to be examined again and to pass the course within the academic year. The group will only offer 40 places and the list of students who can enroll will have to comply the following requisites:

- (1) Students who have already enrolled in the subject in previous years (regardless of the final grade) and have failed the subject of Business English in the academic year 2018-19 with a mark between 4 and 4.9. If the number of this type of students exceeds 40 places access will be given to those students whose mark is closer to 5, being followed by those marks organized in a reverse order.
- (2) new students to the subject who have failed the subject with a mark between 4 and 4.9. The number of places left by type-(1)

students will be covered with new students to the subject and who have failed the course with a score between 4 and 4.9. Priority will be given to those students whose mark is closer to 5; the list will be compiled with the marks in reverse order.

In both cases, if a student obtains a mark less than 3 or NO PRESENTAT, he/she is not entitled to register in the DOCÈNCIA REPETIDA group. Students enrolled in this group are committed to compulsorily attend 80% of classes. Non-attending 80% of the classes implies failing the subject.
