Methodology

LECTURES (VIRTUAL AND FACE-TO-FACE), PRACTICES AND AUTONOMOUS STUDENT WORK

Given the health alarm for the covid-19, this year, teaching will be hybrid and part-time. Half of the classes will be held in the classroom with security measures to prevent contagion and half through videoconferencing through the UdL virtual campus.

Students will have access to virtual classes and will be able to participate.

Classes will be recorded and will be available to the student. These virtual class recordings will be convenient, in addition, in the case of students confined by the pandemic.

It remains to be seen whether it will be possible to record face-to-face classes as well.

15 weeks x 1.5h = 22.5 HP contact hours

Student: 127, 5 HNP non-contact hours of self-employment.

For a subject of 6 credits, the number of hours that a student must dedicate independently is 150 hours, which, divided into 15 weeks of a semester, involves 10 hours each subject each week, of which 3 are of class .127, 5 HNP

The teacher will use digital and face-to-face media for their lessons.

We remind you that the recordings and the rest of the contents of the CV are protected by the intellectual and industrial property rights of the University of Lleida, in accordance with the clause included in the "Legal notice", visible on all UdL websites
