Subject's extra information

GROUP 1: Degree Students: The course as part of the academic plan. It is intended that the student strengthens both the oral and written skills applied to the French language and that they reach an A2 level. It is advisable to have notions of French.

Learning objectives

ALL GROUPS: See competences.

Competences

GROUP 1: Degree Students:

University of Lleida strategic competences

CT2 Gain significant knowledge on a foreign language (French).

CT3 Gain abilities and skills in the use of new technologies and Communication and Information Technologies.

CB1 Understand knowledge in a specific area of study based on general secondary education which finds itself on a level that, departing from advanced text books, also includes some aspects including knowledge from their field of study.

CB5 Know how to develop those learning skills which are necessary to undertake subsequent studies with a high degree of autonomy.

CG4 Adequately plan individual work, teamwork and time management.

CG7 Show independent learning abilities as well as intellectual maturity.

CE10 Have basic knowledge of French from a morphological, lexical and syntactic level which allows basic oral and written communication as well as the understanding and production of simple texts.

Degree-specific competences

Gain an A2 level in French according to the DELF and CECR.
