Methodology

The audiovisual method will be the one used in the course. Yet, the oral method will be a priority including listening strategies and both oral production and interaction.

Regarding writing skills, reading strategies as well as writing production and interaction will be applied.

As far as oral and writing skills, strategies will be focused on both oral and writing comprehension and production activities which will have an B.1.2 level.

From the different existing methodological axes we will use the master class (M), the practical exercises of the syllabus (P), the course work (T) and the assessment (E); We will also use the tools offered by the Virtual Campus
