Subject's extra information

- The student must submit the sheet, at most, on October 2.
- It is essential to take classes in both the large group as the group means, legal texts studied regulators of various taxes.
- In addition, a large group classes, it is essential to take the course materials will be available to students on Campus

This course, located in the first half of the 4th year of the Bachelor's Degree in Law and the 5th year of the Double Bachelor's Degree: Degree in Law and Degree in Business Administration and Management, students noted how certain notions that studying the subject Financial and Tax Law. General part (taxable, tax base, tax base, tax rate, tax liability) reflecting the main taxes that make the tax system in Spain. It is, therefore, a subject which, although an important theoretical component, in a practical focus. However, given its duration, not all tax figures can be treated with the same intensity. For this reason, choose to study more extensively with those taxes that students will have a more direct contact as either legal professionals need not be specialized in tax law, or even as citizen.

Evaluation

Es preveuen dues possibilitats d'avaluació

I.- AVALUACIÓ CONTINUADA

La qualificació final és el resultat de la mitja ponderada corresponent a les següents activitats d'avaluació:

II.- AVALUACIÓ ALTERNATIVA

En el cas de que una/a estudiant acrediti documentalment (mitjançant contracte de treball o document en el que consti la segona o tercera matrícula de l'assignatura) la impossibilitat de complir amb algun dels requisits establerts per a l'avaluació continuada podrà optar per la realització d'una prova única de validació de competències i coneixements que es realitzarà dins dels setmanes d'avaluació previstes en el calendari acadèmic del curs. Aquesta prova consistirà en un examen que inclourà preguntes de desenvolupament teòric dels temes 1 a 11 del programa de l'assignatura així com un cas pràctic en matèria d'impost sobre la renda de les persones físiques d'impost sobre el patrimoni.

L'opció per l'avaluació alternativa, tot aportant la corresponent acreditació documental, es podrà realitzar fins al 15

d'octubre

Bibliography

Legal Texts

It is essential to the use of legal texts propis d'aquesta branch of the law, in particular, tributàries de general laws. The various publishers (Aranzadi, Civitas Tecnos, ... BOE) published each year "tax code" that update desetembre month. However, the mutability of the course content aconsellala regular consultation of legal texts to legal or elweb bases de data from the Ministry of Finance or the Ministry of Economy and Finance of the de Catalunya.
