## Subject contents

Subject contents

The practical subject of the Juridical Ordenament through Institutions or Entities collaborators with the UdL try to assume two aims, how are:

- The practical learning
- The future professional output.

The Course divides in two cycles:

- In the first cycle gives to the student a global vision of the reality of the juridical field and the diverse professional outputs. The activity will be attended through the external tutor of the diverse Entities, how for example, Illustrate it School of Advocacia, the Department of company and Employment, Inspection of Work, Registry of the Property, Cabinet Jurídico of the Generality, State Agency Tributària, Bodies and Strengths of the Security of the State, Subdelegació of the Government in Lleida, Institutions Penitenciàries, Provincial Audience, Courts and Fiscalia.
- In the second cycle the student will realise practical continued in the judicial offices assigned through the collaboration of the Centre of Judicial Studies of the Generality, under the address of an external tutor (Magistrate, Fiscal, or judicial Secretary).

Likewise they will realise other practices with concerted Institutions, how for example local Councils or others
