Teaching staff	E-mail addresses	Credits taught by teacher	Office and hour of attention
TORRES FERRER, CLÀUDIA	claudia.torres@udl.cat	5	
VILLACAMPA ESTIARTE, CAROLINA	carolina.villacampa@udl.cat	1	

Learning objectives

- To train to identify gender violence outbreaks.
- Offering tools to understand the dynamics of these situations and the effects they produce on victims.
- To provide information on the regulatory instruments regulating this situation.
- Helping to identify victim's concerns.
- To reflect on the possibility of applying alternative mechanisms to retributive justice to resolve these conflicts.

Competences

Transversal instrumental competences:

- Ability to adapt to new situations.
- Ability to organise and plan through objectives and strategies.

Transversal cognitive competences:

- Ability to analyse the cultural, social and political environment.
- Ability to recognise and articulate a response to situations of discrimination against women.
- Ability to apply theoretical knowledge.
- Ability to apply theoretical knowledge to solve practical problems.
- Ability to generate new ideas.
- Ability to think critically.
- Identification of the essential elements of the concept of gender violence.
- Knowledge of the statistical magnitude of the phenomenon at national and international level.
- Understanding of the causes and effect of this reality on victims.
- Identification of international normative instruments to address this reality.
- Apprehension of the essential content of the regulatory instruments in force in Spain to fight against gender violence.

Subject contents

1. Gender-based violence: concept, definition and classes.
2. Relationship between gender violence and family violence.
3. Prevalence and phenomenology.
4. Legal protection for victims of gender-based violence: international and national regulations.
5. The legal-penal, civil and labour rights of victims of gender violence.
6. The protocols with the right to fight against gender violence.
7. Applicability of mechanisms of restorative justice to cases of gender violence.

Methodology

FACE-TO-FACE SESSIONS

5 sessions of 2 h. where the elements that make up the content of the syllabus will be succinctly presented.

ACTIVITIES

Activity 1: prevalence of GBV and protocols for action.

(previous activity: reading of selected texts and search for information)

Activity 2: Rights of women victims of gender violence.

(previous activity: reading selected texts and searching for information)

Activitat 3: Restorative justice and gender-based violence.

(previous activity: reading of selected texts and search for information)
