Methodology

The stay in the company can be in three different periods:

Group 1: October to January (4 hours daily)

Group 2: from February to June (4 hours daily)

Group 3 (extraordinary): from July to August (8 hours daily)

Development plan

To obtain 15 ECTS in the Internship, considering that each ECTS credit equals 25 hours of work for the student, it is a total of 375 hours, distributed as follows:

- 4 hours per day for four months in order to combine the practical realization of the attendance.
- 8 hours a day for two months.

This amounts to a total of 320 hours of stay in the company and the remaining hours are devoted to drafting the report, academic tutoring and presentation of the report.

Evaluation

The evaluation of the subject will consist of:

1. Student self-assessment (10%): Student's survey about on several aspects relating to the performance of their practices and relationships with the various actors involved.
2. Evaluation of the company (30%): assessment questionnaire completed by the company, where the company tutor evaluate conducting practical part of the student.
3. Evaluation of memory (40%): The memory of the practices carried out by students and sheets weekly monitoring overviewed by the tutor of the company are evaluated by the academic tutor.
4. Evaluation of the presentation in front of the court (20%): presentation of the practices in public session by the student evaluated by a jury made up of university-business coordinator of the school and two academic tutors
