## Clarifications

Students will be able to carry out the internship, the work and the presentation of the work in Catalan, Spanish or English.

In order to pass the course, a minimum mark of 4 is required in the objective content tests (this test will be made up).

Students who, for any reason, do not carry out any of the activities that give a grade will receive a 0 in this section. When the student has not completed the continuous assessment of the subject, but has carried out assessment activities that represent 50% or less of the overall grade of the subject, he/she will get a final grade of "NOT PRESENTED".

In accordance with art. 3.1 of the UdL assessment regulations, the student may not use, under any circumstances, during the performance of the assessment tests, non-permitted means or fraudulent mechanisms. Students who use any fraudulent means related to the test and/or carry non-permitted electronic devices must abandon the exam or the test, being subject to the consequences provided for in this regulation or in any other internal UdL regulation.

## Alternative assessment

In the event that a student is unable to attend the activities scheduled as part of the continuous assessment (due to paid work, second or final registration for the subject, reconciliation of work and family life and mobility stays), he/she may opt for the alternative assessment consisting of two content tests and a project to validate skills and knowledge, which will be carried out on the days and at the times established in the degree assessment calendar for the final exam of the ordinary assessment. The application for this type of assessment must be made before 31 October with documentary evidence and, once it has been made, it cannot be modified.
