Subject's extra information

The course as part of the academic plan

The knowledge of languages is very important in the world of working in the tourism field. With this course students will achieve basic oral and written skills to conduct simple conversations on general topics and specific conversations related to the world of tourism.

Information on data protection when recording oral exams.

In accordance with current regulations on the protection of personal data, we inform you that:

- The person responsible for recording and using your voice is the University of Lleida - UdL (contact details of the representative: General Secretariat. Plaza Víctor Siurana, 1, 25003 Lleida; sg@udl.cat; contact details of the data protection delegate: dpd@udl.cat).
- Your recorded voice will be used exclusively for the purposes inherent in the evaluation of the subject.
- Your recorded voice will be kept under custody of the teaching staff of the subject until the end of the current academic year, and will be destroyed in the terms and conditions provided for in the regulations on the conservation and elimination of administrative documents of the UdL, and the tables of documentary evaluation approved by the Government of Catalonia. (<http://www.udl.cat/ca/serveis/arxiu/>).
- Your voice is essential to evaluate your knowledge in this subject, and the definition of evaluation procedures is a power of the UdL in the framework of its university autonomy right, as provided in articles 2.2, f) and 46.3 of the Law 6/2001, of December 21, of universities. For this reason, the UdL does not need your consent to register your voice for this sole purpose, to evaluate your knowledge in this subject.
- The UdL will not transfer the data to third parties, except in the strictly cases stipulated by the Law.
- You can access your data; request rectification, deletion or portability; oppose the treatment and request the limitation, as long as it is compatible with the purposes of the evaluation, by writing to the address dpd@udl.cat. You can also send a complaint addressed to the Catalan Data Protection Authority, through the Authority's electronic headquarters (<https://seu.apd.cat>) or by non-electronic means.

Learning objectives

1. Familiarizar el alumnado con las estrategias básicas de comunicación en alemán
2. Concienciar el alumnado de la importancia de conocer lenguas extranjeras para trabajar en el ámbito turístico.
3. Identificar, sintetizar y utilizar vocabulario básico en las diferentes tareas a realizar.
4. Ser capaz de pedir información sobre alguien y darla si es necesario.
5. Extraer información importante de textos escritos y orales sencillos
6. Llevar a cabo conversaciones básicas generales.

7. Llevar a cabo conversaciones básicas sobre temas relacionados con el turismo (check in/out en los hoteles, reservar una habitación, en el restaurante, dar orientaciones, etc.)

8. Hacer descripciones sencillas de ciudades y lugares para visitar.

Competences

University of Lleida strategic competences

- Master Information and Communication Technologies.

Goals

- The overall goal of the course is that, once completed, the student achieves an overall level of competence in German equivalent to level A1 of the Common European Framework of Reference for Languages (CEF). This level allows you to perform simple oral and written communications, whether general, or a more specific level within the field of tourism.
- Get familiar with the routine use of dictionaries (bilingual) to study and work in German.

Degree-specific competences

- Know and master foreign languages.

Goals

- Acquire a general basic vocabulary
- Help students understand various concepts and basic grammatical structures in German.
- Achieve basic skills that allow basic oral and written communication.
- Use vocabulary acquired in the subjects addressed during the course
- Reflectively and correctly use the basic elements of language (phonetics, vocabulary and grammatical structures) in various contexts of oral and written communication.

Degree-transversal competences

- Ability to organise and plan.

Goals

- Be able to organize and structure a basic text (with cohesion and coherence).
- Be able to understand the main ideas in a simple text and use context to understand unfamiliar words.
- Be able to work and learn in an autonomous way and at the same time adequately interact with others through cooperation and collaboration.

Goals

- Encourage students to work on their own.
- Develop strategies to improve comprehension and oral dialogues and basic conversations in German.
- Be able to understand the main ideas in a simple text and use context to understand unfamiliar words

Subject contents

Subject contents

The students' work will be based on ten units throughout the course, based largely on the *Ja, gerne. Deutsch im Tourismus*. The activities of these units will be used to practice the following skills, some of them mentioned in the

general objectives:

1. Reading comprehension
2. Writing
3. Listening comprehension
4. Speaking
5. Oral interaction

These units also serve to broaden the knowledge of German vocabulary and to learn new grammatical structures of a relatively advanced level in German. The grammar exercises and reference materials provided are resources that students can use if necessary to improve the areas where they have the most difficulties.
