Plagiarism

Article 9 of the Assessment Regulations states that the student cannot use unauthorized means or fraudulent mechanisms during the assessment activities. The student who uses any fraudulent means related to the test and/or carries unauthorized electronic devices, will be subject to the consequences provided for in these regulations or in any internal regulations of the UdL.

Article 43 of the UdL Coexistence Regulations describes the applicable sanctions, which include, among others and depending on the seriousness of the fault, the loss of the right to be assessed for the subject, the loss of registration of one semester or one year or expulsion for up to three years.

Clarifications

The student will be able to answer all the tests in Catalan, Spanish or English.

In the event that a student documents documentally their inability to attend scheduled activities in the continuous assessment (for paid work, second or subsequent tuition of the subject, conciliation of work and family life and mobility stays) You may opt for one or more tests of validation of competences and knowledge that are detailed in the teaching guide. This subject will consist of the presentation of Practices 1 and 2 and the gaming practice (30% each) that must be delivered on the same dates as the rest of the students of the subject, they will be able to recover these practices with their delivery one week after obtaining the evaluation mark. In addition, students who take advantage of this modality must take the two virtual tests (5% each) on the same day as the rest of the students, but they can do it remotely.

As indicated by the legal adviser of the UdL, this test is subject to the regulations for the evaluation of recovery effects (tests equal to or greater than 30%) and review.

On the website of the Faculty there is the document that must fill the students and deliver to the professor responsible for the subject:

<http://www.fdet.udl.cat/export/sites/Fdet/ca/.galleries/Documents/Secretaria-documents/Sollicitud-davaluaci3n-alternativa.pdf>

The application for this assessment modality must be made before March 20, current year with documentary accreditation and, once done, it can not be modified.
