Learning objectives

See other languages or contact lecturer.

Competences

See other languages or contact lecturer.

Subject contents

See other languages or contact lecturer.

Methodology

See other languages or contact lecturer.

Development plan

The subject is developed throughout the second semester. Students carry out three works autonomously, following the schedules and using the material indicated by the teaching staff.

Evaluation

The evaluation consists of 3 works with the following distribution of points out of 100. The description and due dates of each work can be found in the introductory video and the description of the task in the "tasks" section. For questions and concerns, please contact the lecturer Tanja Strecker by message or email.

Written Paper 1 (50 points)

Written Paper 2 (25 points)

Oral presentation of the work (25 points)
